## INAUGURAL SHRINK OFF COMPETITION WINNERS DECLARED

The competition was heated during Dr. Shrink's first "Shrink Off" shrink wrapping contest held daily during the International Boatbuilders' Exhibition & Conference (IBEX) with many wrapping professionals determined to show off their skills. The three winners were Mike DeVriendt with a time of 24 minutes, Dustin Hoover finishing in 19 minutes and Brett Warish with a final time of 17 minutes.

The contest was open to all IBEX visitors. Participants had to cover an 18' runabout as fast and neatly as possible. Each daily winner received a Shrinkfast 998 heat tool kit worth \$650 and sewn shrink wrap cape.

"The Shrink-Off was very successful and it drew a great crowd of folks to not only observe, but learn more about installing the wrap," said Mike Stenberg, Dr. Shrink president. "We plan to hold this event next year, too."

Dr. Shrink, Inc. is a full service-full circle supplier of premium shrink wrap. It has shrink wrap immediately available in widths from 12'-50', as well as all shrink wrapping products and accessories including heat tools, adhesives, zipper access doors and venting.
