

Marine Fuel Spill Prevention

Our solution will put an end to this problem

**Cost effective and simple to use
when fueling up your boat.**

**Fill up with confidence. making
less trips to the fuel dock means
more time on the water**

**Stop wondering what the gauges
say. You can fill up alone and also
fill two tanks at once!**

**By Eliminating fuel spills you will
help keep our waters clean! The
CLiX is even Biodegradable too!**
