AIRMAR EXTENDS PRODUCT WARRANTY TO THREE YEARS

New Warranty Policy Reinforces Industry Leadership and Customer Commitment

FOR IMMEDIATE RELEASE: MILFORD, NH (May 1, 2025) – AIRMAR® Technology Corporation, a global leader in ultrasonic transducers and sensor technology, is pleased to announce an enhancement to its warranty policy. Effective April 1, 2025*, Airmar's standard warranty has been extended from two years to three years, providing customers with even greater assurance of quality, reliability, and long-term support.

Under the new policy:

- Products shipped from Airmar are covered for three years from the date of manufacture.
- Products sold by Gemeco and Airmar EMEA are covered for three years from the date of sale from either location.
- Marine transducers installed by Airmar Certified Installers continue to be covered for three years from the date of installation.

This extended warranty applies to all Airmar products and demonstrates Airmar's ongoing commitment to manufacturing excellence and customer satisfaction. "At Airmar, quality and reliability have always been the foundation of our success," said Jennifer Matsis, Vice President of Sales and Marketing at Airmar. "Expanding our warranty coverage reflects the confidence we have in our products and our dedication to supporting our customers worldwide."

*Airmar's new three-year warranty policy takes effect on April 1, 2025, covering all products sold after this date. Products sold before April 1, 2025, will continue to follow the previous two-year warranty policy, which can be found here.
