Powys Business Crowned at Wales Business Awards 2022

Makefast Ltd are celebrating after scooping the award for Global Business of the Year at the highly anticipated Wales Business Awards 2022.

The Newtown-based company, which designs and manufactures safety hardware, marine hardware, and marine systems to 60 countries worldwide, were recognized at the ceremony, hosted by Chambers Wales South East, South West and Mid, held at St Fagans National Museum of History, Cardiff.

Judges were impressed by Makefast Ltd.'s significant year on year export growth over a sustained period of five years, and how it has 'pro-actively and positively dealt with and overcome both Brexit and Covid related challenges.' The business is also said to have 'exciting expansion plans for the future in Wales and the USA.'

David Carter, Sales Manager at Makefast Group, said: "We are very happy to have received the award for Global Business of the Year, recognising our export success and growth from Mid Wales to the world. Our hard work has paid off!"
