TecNiq Inc. Announces New Porch/Deck Light

# The Newest in Accent Lights from TecNiq – Provide Decks/Porches and Pathways with High Function, High Style Lighting Option

Galesburg, MI – December 23, 2020 – TecNiq Inc. is pleased to announce the release of their D17 Porch/Deck Accent Lights. The D17 features (6) white LEDs with an output of 540 lumens. Each light is designed to be surface mounted and is provided with pigtail connections. The D17 is a sealed light, utilizing TecSeal – TecNiq’s proprietary urethane potting material, for guaranteed circuit board protection.

The ALL NEW D17 Accent Lights are built on the same foundation as all TecNiq Lights – superior engineering, sleek design, and an unwavering commitment to the highest quality product on the market. The D17’s are the perfect option for boats, RV’s, work trucks, trailers, delivery trucks, and more. Light up walk areas for safer movement, deliver visibility in dark areas, and provide long lasting performance. For more information on the D17, or any other industry leading LED solutions from TecNiq, visit [www.TecNiqInc.com](http://www.TecNiqInc.com).

TecNiq – Changing the Shape of Light

TecNiq Inc. is an engineer owned & operated company with a strong commitment to excellence. We begin with a simple belief in offering the greatest value, the highest quality lighting solutions, and great customer care. We use the highest quality LEDs, materials, and offer market leading technologically advanced lighting solutions. From emergency response vehicles, fleet vehicles, construction trailers, boats, heavy or light duty equipment, you can expect your lights to work every time. Our goal is to exceed your product quality expectations. We feel so strongly about our commitment to quality, that we back every one of our products with a no-nonsense **Lifetime Warranty**.
