

Haimes Coleman Group to Spotlight New Products and Marine Technologies at IBEX 2026

HCG principals bring new products, emerging technologies and hands-on experiences to the marine industry's leading technical trade event

SUNRISE, FL — Haimes Coleman Group (HCG) will spotlight new products, marine technologies and hands-on experiences at the 2026 **International BoatBuilders' Exhibition & Conference (IBEX)**, October 6–8 at the **Tampa Convention Center**.

Across the HCG Top Products District, HCG Booths 3-615, 3-639 and principal exhibits throughout the show, OEM boatbuilders, dealers and distributors can explore new products, experience live demonstrations and connect directly with HCG and its principals.

New Products & Technologies

UFLEX will feature Velair, Integra, UPA123 and Hytech, including the new Velair Gen 3 air-conditioning system and UPA123 electronic power actuator. UFLEX will also bring its demonstration boat to IBEX for product testing during show hours and after hours by appointment.

DEKit will showcase its marine decking portfolio, including DEKit PE/EVA Foam, Evercor, E-DEK PRO and the upcoming DECK-X. E-DEK PRO combines a durable resin surface with premium EVA foam backing, while DECK-X offers a seamless, lower-maintenance alternative to traditional teak. Visitors can walk on, touch and experience the materials incorporated directly into the DEKit exhibit.

C.E. Smith will preview its new line of Marine Trailer Winches at IBEX, featuring five models ranging from 1,000 to 3,200 lbs. and scheduled to launch January 1, 2027. The company will also showcase its trailer parts and rod holder portfolio, with a focus on new jacks, boat trailer guides and stainless-steel rod holders.

CoastKey will feature its established marine safety and control technology alongside its new Connect telematics product, identified as a key new-product focus for IBEX.

Scandvik will introduce several new products, including the 14485 Cold Water Pull Out Combination Fixture, designed to combine a cold-water faucet and pull-out shower in one streamlined fixture. Scandvik will also showcase new marine lighting and matte-black faucet and shower options.

Accon Marine will feature its new 592 Spring-Loaded Pop-Up Cleat, along with expanded black coating availability across selected marine hardware products.

Brownell Boat Stands will highlight its new BLS Manual Boat Lift, rated for up to 8,000 pounds.

Live Experiences at IBEX

Wet Sounds will offer live marine audio demonstrations across its indoor booth, outdoor exhibit and South Dock boat slip. Wet Sounds will also sponsor an Opening Night Party on Tuesday, October 6 at 5 p.m. in front of the SAIL Pavilion, featuring DJ Alysha Landry.

Connect with **Haimes Coleman Group** at IBEX

Visitors can meet the Haimes Coleman Group team at **Booth 3-615, 3-639** and throughout the **HCG Top Products District** to discuss product applications, current projects and opportunities with HCG principals.

Additional product introductions and principal news will be announced as IBEX approaches.

About Haimes Coleman Group
