KING PLASTIC INTRODUCES KING STARBOARD® WG AT THE IBEX SHOW IN TAMPA, FL SEPTEMBER 27-29, 2022

North Port, FL, September 8, 2022 – King Plastic Corporation, a leading manufacturer of polymer sheets, slabs, and massive shapes, will exhibit at the International BoatBuilders' Exhibition & Conference (IBEX) held September 27-29, 2022, in Booth #3-619 at the Tampa Convention Center in Tampa, FL. King Plastic will feature its new King StarBoard® WG, the all-weather wood grain polymer sheet inspiring everyone to live outdoors.

King StarBoard® WG has a wood grain finish on both sides of the sheet. Available in 5 colors - Mocha Brown, Nutmeg, Indigo, Charcoal Gray, and Slate Gray. Sheet size 48" x 96" and gauges 1/2" and 3/4."

It is environmentally stabilized to withstand the harshest outdoor conditions. King StarBoard® WG will not rust, delaminate or rot when exposed to UV, humidity, or water. It is ideal for various applications, from replacing wood to building furniture. The wood grain polymer sheet never needs painting or refinishing, works like wood, and is easy to fabricate with standard woodworking tools and techniques.

Attendees will preview:

King StarBoard® - the original marine-grade polymer sheet

King StarBoard® AS - the anti-skid marine polymer sheet

King StarBoard® XL - the lightweight marine-grade cellular sheet

King StarLite® XL - the lightweight marine-grade utility sheet

King StarBoard® WG – The All-weather Wood Grain Polymer Sheet

The IBEX Show is the leading marine industry event and where better boats begin. The event offers the IBEX Education Program, 500+ exhibitors on the show floor, dozens of networking events and much more.

"Our American craftsmanship and breakthrough innovation make us different," said Michael Fabbri, National Sales Manager of King Plastic. "King Plastic pioneered King StarBoard®, the original marine-grade polymer sheet. Now, we deliver the highest performance and durability in our new wood grain plastic sheet with elegance and casual sophistication for outdoor living. In addition, our product mix continues to offer new solutions to our customers worldwide."

King Plastic Corporation

About King Plastic Corporation

At King Plastic, we manufacture polymer sheets, giant slabs, and massive shapes for plastic distributors and customers worldwide who fabricate products in the marine, signage, parks & recreation, retail, food processing, healthcare, industrial and other markets. We partner with distributors to provide innovative solutions for diverse markets, and manufacture to the highest quality you can trust from the leading plastic manufacturer in America since 1968.
