**Welcoming Juan Juarez to the Endurance Technologies Team**

South St. Paul, Minnesota June 20, 2018 - Endurance Technologies, Inc. is pleased to announce that Juan (JJ) Juarez has joined our team as the new National Sales Manager. JJ will be replacing Ann Jackson, CPD co-founder, who is retiring. David Hoeffel, President of Endurance Technologies, Inc. welcomes JJ and his extensive background in the composites industry and wealth of knowledge of thermoset chemistry. CPD customers will find the transition comfortable and with the full support of the Endurance team. Ann Jackson will remain on staff during the transition. Please join us in welcoming JJ.

**About Endurance Technologies, Inc.** – Endurance Technologies manufactures high quality epoxy and polyurethane resin systems out of South Saint Paul, Minnesota. With over twenty-five years in the business of formulating and manufacturing thermoset resins, they pride themselves on providing hands-on customer service and technical support and adaptable in-house manufacturing.
