

PARTY TABLE WITH TRAY

Ocoee, FL – August 20th, 2019 – Teak Isle introduces a combination Table and patent pending Party Tray. With this exciting new accessory, customers can carry the loaded serving tray and simply set it in place on the boat's table. Features include wine glass retainers, bottle and wine chiller storage, cheese knife and corkscrew holders, stainless cup holders, and space for a serving platter. When finished, the tray can be taken back to the house to be cleaned and made ready for the next excursion.
