

PONTOON LOUNGE BACKREST FOLDING TABLE

Ocoee, FL – August 20th, 2019 - – New for 2019/2020, Teak Isle introduces their patent pending Pontoon Boat Folding Table. This table mounts in the lounge backrest and easily lifts up with spring-locking supports to offer more usable entertainment space and includes two additional stainless steel drink holders.

When no longer needed, simply lift up to release and fold the table down for compact storage. This flush-mounting table requires only 4" of depth for installation.

Tables are available in a variety of King StarBoard colors to better coordinate with upholstery vinyl and are manufactured using stainless steel hardware. As always, Teak Isle will fully customize this part to fit the specific space requirements for each boat model.

Custom OEM table designs are available through Teak Isle at www.TeakIsle.com or by calling 407-656-8885. Retail customers can find several standard size folding tables available at www.BoatOutfitters.com or by calling 866-633-7961.
