

PONTOON LOUNGE BACKREST TILT-OUT TRASH CAN

Ocoee, FL – August 20th, 2019 - Where to put the trash is always an issue on a boat. Teak Isle offers a solution to this dilemma with a new line of hidden Tilt-out Trash Cans to be mounted in the under-used space of the pontoon lounge backrest. This allows for easy, convenient, hidden storage for the trash.

Tilt-out Trash Cans are available in a variety of sizes and colors and are manufactured using King StarBoard and stainless steel hardware. As always, Teak Isle will fully customize these parts to fit the specific space requirements for each boat model.

Custom OEM Tilt-out Trash Cans are available by contacting Teak Isle at www.TeakIsle.com or by calling 407-656-8885.

Retail customers can find a variety of standard Tilt-out Trash Cans available at www.BoatOutfitters.com or by calling 866-633-7961.
