**TACO Marine® Products To See
@ IBEX 2021, Booth 3-1431
September 28 – 30**

MIAMI, FLORIDA (USA) – The TACO Marine® booth (3-1431) at IBEX next week will feature a wide range of products, including Electric Seat Slides and award-winning ShadeFin™, and will introduce boat builders to the new TACO Marine Grand Slam Blackout Series Mounts.

Electric Seat Slides

TACO Marine® Electric Seat Slides are available for chairs and benches from 23" to 54". All the slides are frictionless, strong and low profile, and meet ABYC standards for impact and load.

ShadeFin™

Winner of a 2021 *Boating Industry* Top Product Award, ShadeFin easily attaches into rod holders, tops and gunnels for convenient, portable shade for almost any boat.

ShadeFin's fabric provides a UPF 50+ rating of sun protection for multiple areas of the boat, including fore, aft and sides of tops and anywhere there is a rod holder. It pairs with either a fixed or adjustable rod holder mount, which insert into any standard rod holder, a hardtop bracket mount, the TACO Marine Grand Slam 170 Outrigger or 170-2 Center Rigger Mounts, or with a fixed or adjustable clamp-on mount for pipe or tube.

New Grand Slam Blackout Series GS-850BHC, GS-950BHC and GS-390BHC Mounts

The popular TACO Marine Grand Slam series of mounts is now available with a black hard coat anodized aluminum finish – providing enhanced protection from the elements in style. The GS-850BHC Electric VHF Antenna Mount (shown here) allows boaters to adjust the position of their

antenna with the simple push of a button. The GS-950BHC Electric Masthead Anchor Light adjusts with the simple push of a button and is certified for USCG-required 3 nautical miles. The GS-390BHC Outrigger Mount has a robust gusset and heavy-duty arm to withstand the torque and pressure created when using longer outrigger poles.

For more information, visit the TACO Marine booth 3-1431 at IBEX or TACOMarine.com , or call 1+305.652.8566.

TACO Marine®, a division of TACO Metals® LLC, designs, manufactures and distributes a wide range of products, including Rub Rail, Hardware & Accessories, Canvas & Tower Fabrication, Seating, Boat Shade, Sport Fishing equipment and custom/specialty products.
