**TACO Metals® , LLC To Launch
New TACO Seating Division At IBEX 2021
Booth 3-1431, Tampa Convention Center, September 28-30**

MIAMI, FLORIDA (USA) – Leading component supplier and manufacturer TACO Metals will introduce the industry to the new TACO Seating & Upholstery division in booth 3-1431 at IBEX, September 28-30 at the Tampa Convention Center.

TACO Seating will offer boat builders fully designed and engineered seating solutions, along with high-quality craftsmanship, personalized service and attention to detail. During IBEX, TACO team members will be on-hand to walk through the new division’s entire capabilities spectrum – providing attendees with a comprehensive view of all TACO Seating has to offer.

“We are confident in everything TACO Seating delivers,” said Mike Kushner, Director of Sales & Marketing for TACO. “With this new division, we now have the talent, expertise and resources to provide boat builders with complete boat upholstery and hardware solutions. Essentially, a complete boat-in-a-box concept for all your seating needs,” he added.

The new TACO Seating consists of a talented team of more than 100 professionals, including Designers, Engineers and veteran Craftspeople all working together to create contemporary, state-of-the art upholstery and seat hardware designs for boats in the 25- to 60-foot length range.

TACO has made significant technological investments in the new division, including 3D CAD modeling and rapid prototyping, advanced CNC foam and substrate fabrication, automated quilting, CNC metal fab and a new 10,000-square-foot design and prototype shop for approval on first article builds.

For more information about TACO Seating and other TACO products, visit www.tacomarine.com or call 1+ 305.652.8566.

In addition to Seating, TACO is a leading manufacturer and supplier of Rub Rail and Trim, Tower and Canvas Components, Sport Fishing Outrigger Systems and Specialty Hardware.
